

THE PERFECT FIT OF THE DRESS

Depends Upon
the Perfect Fit of
the Corset

FANNIE WARD

*The Best Dressed Woman on
the Stage, Appearing This
Week at the National
Theater in Madame
President,*

*Prefers
the Choice of
Discriminating
Women---the*

La Vida Corset.

The La Vida combines that perfection of fit and flexibility that molds the figure and makes possible a smooth fitting dress or costume. It supports the figure correctly yet "gives" with the body, permitting that perfect poise and gracefulness that the woman of fashion demands.

Visit our Corset Department and have Mme. Estelle demonstrate the advantages of the La Vida.
